## Optional Activities Descriptions

In order to enroll in Optional Activities, please complete the “Optional Services & Activities Invoice.”

### **HORSEBACK RIDING**

Horseback riding lessons will be offered at a private riding academy a short distance from camp. This highly respected, professional riding center will provide state-of-the-art instruction. A weekly program, 1 week in the first half and 1 week in the second half, will consist of 2 hour lessons each day for 5 days.

### **WYNCOTE GOLF PROGRAM ([www.wyncote.com](http://www.wyncote.com))**

This exciting program will be held at the award-winning Wyncote Golf Club. Campers work on their skills on the driving range, putting green, chipping area and play on the actual course. This package will include 3 lessons in the first half and 3 lessons in the second half. Campers must bring their own golf clubs, golf shoes and wear a collared shirt to the golf club.

### **IN-CAMP GOLF**

This program will be held in camp at our driving range and putting green and will give campers an opportunity for private and semi-private lessons on our camp grounds. The lessons will be offered 3 times per week and are available 4 weeks in the first half and 3 weeks in the second half.

### **TENNIS LESSONS**

We are proud to provide a “Private Tennis Program”, in addition to our regular daily tennis activities. The tennis package will enable your child to work with a tennis professional privately or semi-privately. These packages will be available 4 weeks in the first half and 3 weeks in the second half.

The following options are available:

- Private - 5 (five 30 min. lessons/week)
- Private - 3 (three 30 min. lessons/week)
- Semi-Private - 5 (five 30 min. lessons/week)
- Semi-Private - 3 (three 30 min. lessons/week)

### **GYMNASTICS**

Due to popular demand, we are once again offering individual instruction to campers in gymnastics in addition to our regular gymnastics activities. This program will be geared to the needs of the individual and will be run by our qualified gymnastics instructor. When selecting this option, it will be necessary to inform us which areas of gymnastics you want your child to get instruction in. Campers will receive 30 minute lessons, which will be offered 3 times per week and will be available 4 weeks in the first half and 3 weeks in the second half.

### **TUTORING**

We offer tutoring in the areas of Math, English, Reading and Bar or Bat Mitzvah lessons. Please call the office to discuss your child’s specific requirements.

*Please note: We try to schedule optional activities to avoid conflict with other activities. However, please be aware that daily activities may be missed in favor of optional activities.*
